Free online 'understand your child' courses

Stockport NHS Foundation Trust has now purchased a multi-user licence for the following Solihull Approach online courses. Created by experts, the courses are proven to improve emotional wellbeing and the relationships between parents and children. The following parenting courses are now free for residents of Stockport:

- Understanding your pregnancy, birth, labour and your baby
- Understanding your baby (0-12 months)
- Understanding your child (0-19 years)
- Understanding your child with additional needs
- Understanding your teenager's brain

Anyone in Stockport can join the courses for free by following these simple instructions:

- 1 Visit the website inourplace.co.uk
- 2 Use access code: REDROCK
- 3 You will be asked to create an account so that you can resume the course where you last left off.
- 4 You will also be asked to verify your postcode to make sure that you're a Stockport resident.

Network of SEND Champions

Our Network of SEND Champions is made up of friendly, passionate parents, carers and professionals all wanting to provide support and signposting for children & young people with SEND and their families.

To get involved, email us at SENDIP@stockport.gov.uk

You don't have to attend all the meetings, you might just be able to share valuable information with others. Join us, be a SEND Champion!

For more information about the Network of SEND Champions, dates of future meetings, or to read outcomes of their previous meetings, visit their page on the [Stockport SEND Local Offer](#).

Autism Training: Visual approaches to social understanding

A new set of Autism training has been added to the Stockport SEND Local Offer - Learn about different visual approaches when communicating with a young person with Autism.
